Hi everyone!

We are excited to announce the opening of our new bookmobile! This month, at every site, the Bookmobile will be available! Thank you for being patient with us these past two years.

In addition to the Bookmobile, we also have new technology on it! You will be able to print, connect to our Wi-Fi, and use our new electronics (iPad's and Tablets). Computer classes will be offered by Rachel Fetzer. For more information, please contact her at 336-627-3729 or rfetzer@rcpl.org Let her know which site you attend and what you would be interested in learning!

We are so excited to share this new bookmobile with you and we hope you love it just as much as we do!

~Calvert, Rachel, and Leigh
